

THE AHCA/NCAL NATIONAL QUALITY AWARDS

Inspiring Excellence and Improving Lives in Long Term Care

Long term care providers across the nation are dedicated to enhancing the quality of life for residents through the American Health Care Association/National Center for Assisted Living (AHCA/NCAL) National Quality Award Program. Grounded in the Baldrige Criteria for Performance Excellence, this esteemed program drives improvement in leadership, strategic planning, workforce, customer service, operations, and knowledge management.

Participants advance through three levels of recognition—Bronze, Silver, and Gold—each requiring a higher standard of performance excellence.

This summer, AHCA/NCAL announced the names of nearly 900 long term care organizations recognized with a 2024 National Quality Award—737 Bronze awards in 49 states, 139 Silver awards in 33 states, and an elite two Gold awards.

► 2024 GOLD EXCELLENCE IN QUALITY AWARD

Organizations demonstrate a culture of continuous quality improvement and include routine comprehensive assessments of key performance metrics. Members at this level are among the best providers in the nation.

The honorees are:

Libby Care Center of Cascadia

LIBBY, MONTANA

101-bed skilled nursing care and rehabilitation center.

Lofland Park Center

SEAFORD, DELAWARE
